NETWORK CATALOG

» ABOUT US

NATIONAL NETWORK LOCAL
VOLUNTARITY DEVELOPMENT

The National network for local philanthropy consolidated 30 Ukrainian non-governmental organizations that work by the principle of "a community foundation", involving and redistributing charitable, financial, and moral resources to meet the top-priority needs of their own communities.

The national movement of community foundations has been developing for almost 10 years and it has demonstrated its effectiveness by forming a new culture of charity and volunteering in communities, founded in honest trust among neighbors.

Mission

Development of social capital and a culture of philanthropy for an advanced stage of community development in Ukraine.

Goal

Transfer the best practices of philanthropy and make new modern forms of civil actions.

The organization was established in 2014.

-

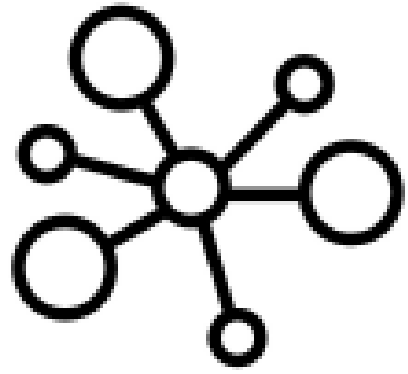

COMMUNITY NEEDS RESEARCH

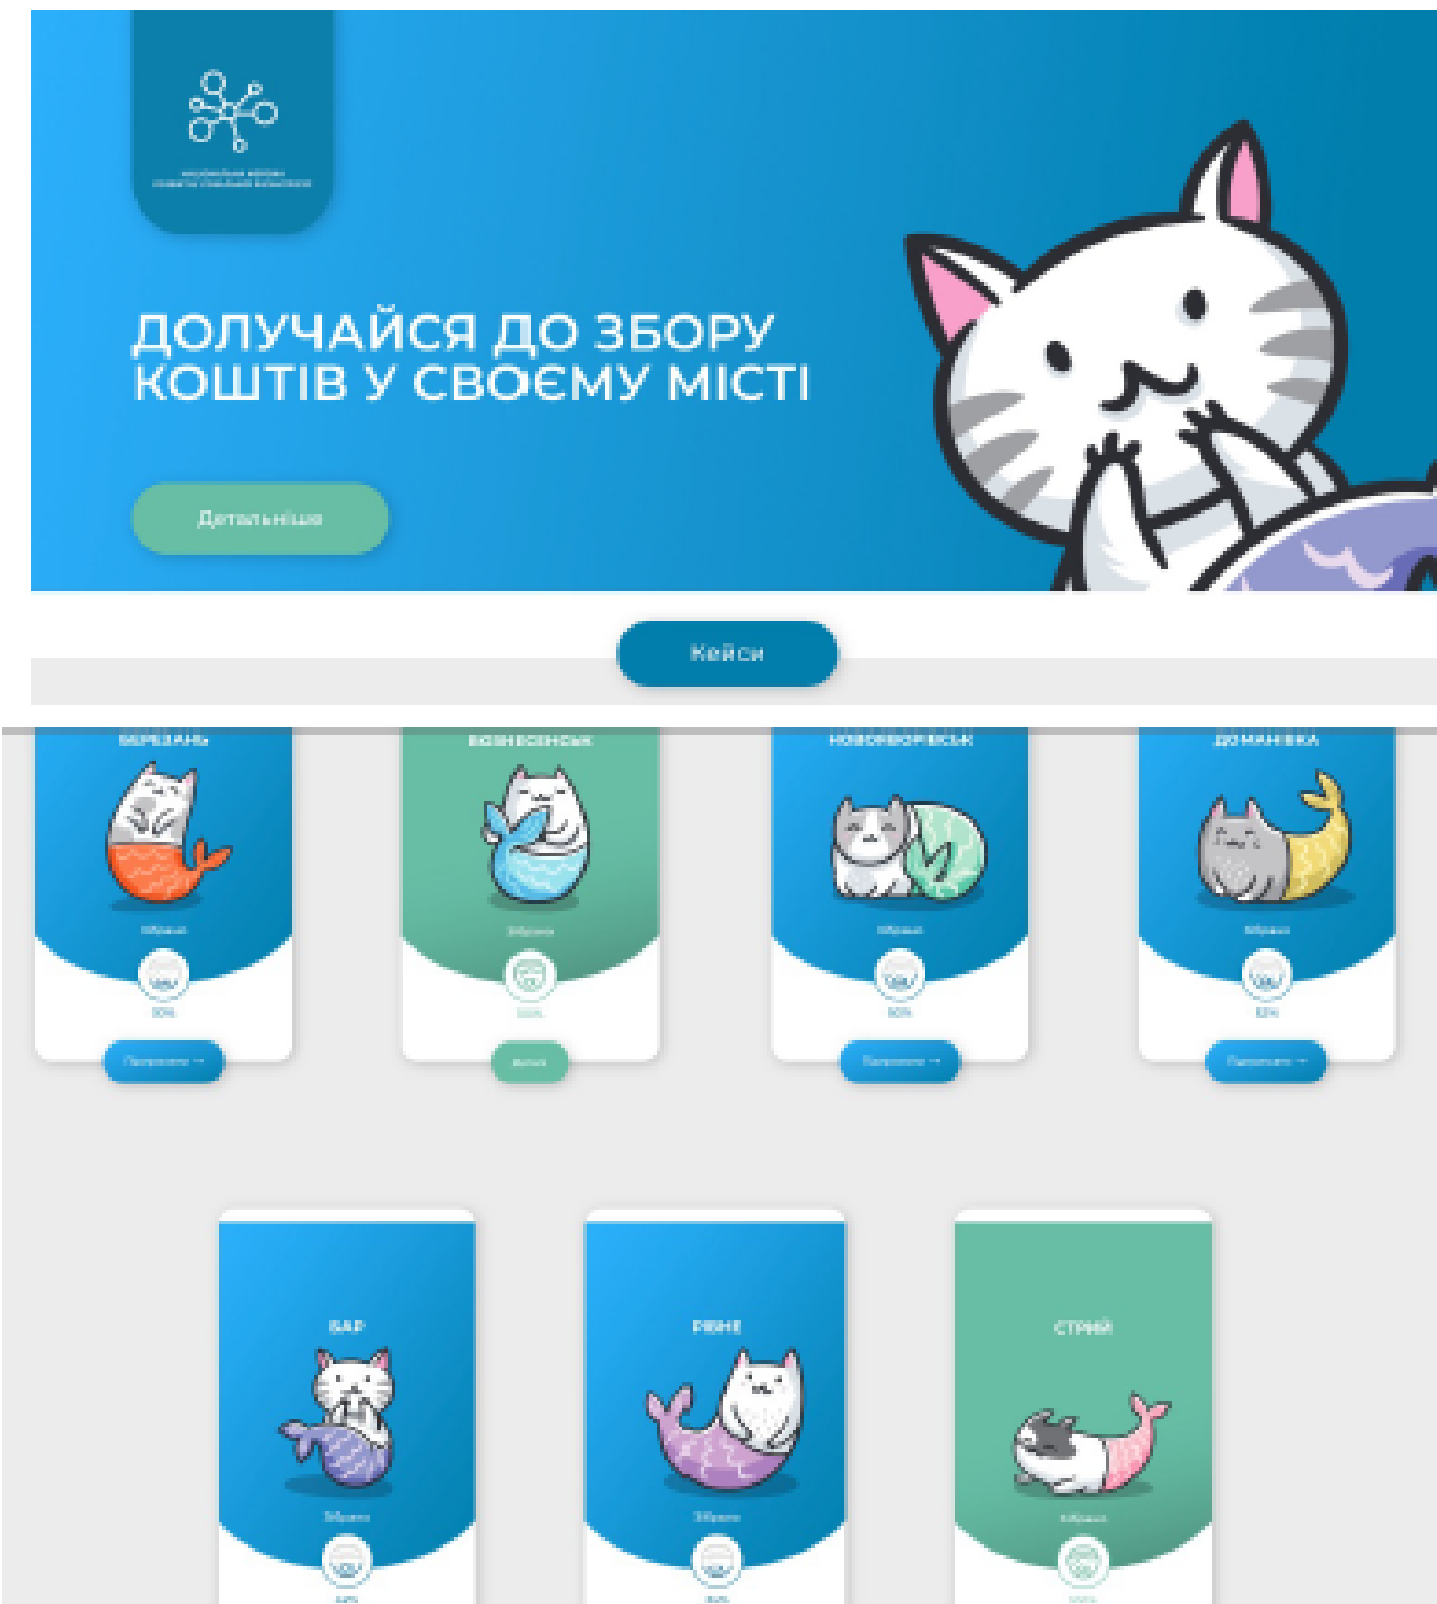

In the framework of the project "Strengthening the Network of Community Funds", implemented by the charity organization "National Network for the Development of Local Philanthropy" based on the results of the project competition "School of Community Funds" with the support of ISAR "Unity" funded by Ch.S. MOTT. together with the State Institute of Family and Youth Policy, a sociological survey of the population of territorial communities was conducted. The purpose of the survey is to study the problems of the population of the local community and find ways to solve them. Research results:
